

NEU 13

DESIGN BY HAY

Neu's ergonomically moulded shell combined with its round solid wooden legs results in a perfectly defined profile. The durable, finely-grained plastic adds textural interest, while the rim detail gives the design structure and character. In the upholstered version, a delicate stitching line runs across the seat, while a piping detail accentuates the chair's raised rim. Its robust and comfortable construction and flexible design options makes it the perfect choice for offices or dining rooms.

PRODUCT DETAILS

- / Robust and comfortable chair in a variety of shell colours and base finishes.
- / Variety of shell colours and base finishes.
- / Available with plastic shell and solid oak legs (Neu 12 & Neu 13) and full upholstery in a large selection of fabrics and leathers.
