

# E005

## E00S

### DESCRIPTION

Enjoy superior comfort with this modern and inviting blend of skilfully sculpted organic and soft materials. The Embrace Armchair unites the Austrian design trio's strong sense of modern aesthetics with Carl Hansen & Søn's century-old tradition of quality craftsmanship and outstanding comfort. To achieve a precise yet relaxed expression, E00S paired soft, modern upholstery with a classic, light, solid wood frame. A soft, three-dimensional cushion functions as seat, back and armrests, embracing the wooden structure and appearing to float within the frame.

### DESIGNER

E00S, is a design collaborative established in Vienna in 1995 by Martin Bergmann (b. 1963), Gernot Bohmann (b. 1968), and Harald Gründl (b. 1967). E00S views design as a poetic discipline, believing that end results should be able to accommodate changing needs and desires. E00S designs for many of the world's best-known brands. The trio has published books on design, holds over 15 technical patents, and has won over 130 international awards, including a red dot award, a Compasso d'Oro, the German Design Award, an iF Award, and a Wallpaper\* Design Award.

### MATERIALS

- Frame: Solid oak with soap, lacquer, oil, white oil, or black paint. Note that oak has a clearly visible wood structure when painted. Solid walnut in lacquer or oil
- Seat and back: foam with upholstery available in all fabric and leather groups. The edging strip is available in five different colors: white, natural, dark blue, brown and black

### PREASSEMBLED

Yes

### PRODUCTION PROCESS

All parts are processed on machines. Afterwards they are polished and assembled by hand. After treatment the upholstery is mounted on by hand as well.

### DIMENSIONS

- Chair: W: 59 x D: 55 x H 85 cm
- Seat: H: 46,5 cm

### WEIGHT

11,2 kg

### UPHOLSTERY CONSUMPTION, MADE TO ORDER

- Fabric: 2.20 x 1.30 m
- Leather: 5.5 m<sup>2</sup> (60 feet<sup>2</sup>)

### PACKAGING

- No. of boxes: 1
- Box: H: 90 x D: 63,5 x L: 69 cm
- Gross weight: 14,9 kg

### TEST

EN 1022:2005 Domestic furniture - Seating - Determination of stability. EN 16139:2013 Furniture - Strength, durability and safety - Requirements for non-domestic seating.
